MEMORANDUM FOR: PARENTS AND STAFF

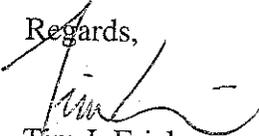

SUBJECT: ASBESTOS NOTIFICATION LETTER

As required by the Asbestos Hazard Emergency Response Act of 1986, (AHERA) our buildings have been inspected for asbestos-containing materials. The inspection of Osan American High School was conducted on 22-23 October 2006 by representatives of Baker Environmental. The inspection was conducted in accordance with Environmental Protection Agency regulations and DoDDS policy.

The AHERA inspection report shows that no asbestos-containing materials were found in our facility. A copy is kept in the main office and is available for your review.

If you have any questions or concern, please contact me at 784-9098.
