Admin Notes

ASVAB to be given at OAHS!

The ASVAB will be given to interested juniors and seniors on November 9th from 8:30-12:30. This test is free and the scores are good for two years. It does not commit the students to enlisting! Students were asked to sign up with Ms. L.V., School Counselor, by November 1st. However, please contact Ms.L.V. **ASAP** if you would like them to be added to the list. These students will need to make their own way to school on the 9th (parent conference day – no school busses). Reminders will be given to students on November 8th.

Riki Ellison to visit during seminar.

Riki Ellison a former linebacker for the San Francisco 49ers and the Los Angeles Raiders will be at Osan American High School. He will be here on 7 November during seminar to talk to the students. Riki Ellison has earned two National Championship Rings and three Super Bowls. This is an exciting opportunity for everyone. OAHS would like to thank Col Sanchez from 35th ADA Brigade for making this possible.

Acceleration Date:

The first semester acceleration date is 12 December 2012. This is for you if you will be PCSing after this date but before the end of first semester on 24 January 2013. Please submit a copy of your orders and the acceleration request form no later than 19 November 2012. The request paperwork is at the end of the Cougar update.

Have a Great Teacher? Want to recognize them?

Each year three exceptional teachers are recognized by the Veterans of Foreign Wars (VFW) for their outstanding commitment to teach Americanism and patriotism to their students. The VFW annually recognizes the nation's top classroom elementary, junior high and high school teachers who teach citizenship education topics—at least half of the school day in a classroom environment—and promote America's history, traditions and institutions effectively. Interested in submitting a teacher? Go to <http://www.vfw.org/Community/Programs/>

ACCELERATION REQUEST OSAN AMERICAN HIGH SCHOOL

PARENTAL REQUEST: Students who meet their teacher's minimum course requirements for passing a semester class and who are leaving within 20 calendar school days prior to the end of a semester may be given advance additional assignments to cover the work in each subject. Students should request the acceleration as soon as they are aware they will be leaving early. The earlier the request the more time for the student to complete the work required. Upon completing the acceleration program, the student will be given a semester's grade and credit. If you have any questions, please contact the counselor's, 9th Grade - Ms. Park (784-1491) or 10th-12th Grade - Ms. Voptika (784-9097).

ONE (1) COPY OF PCS ORDERS OR OTHER DOCUMENTATION MUST BE ATTACHED.

I request that _____, Grade ____, be allowed to accelerate in each of their courses in order to complete course requirements. I understand that it will be my child's responsibility to make arrangements with their teachers for (a) accelerated work to complete the course requirements, (b) end-of-course exam in the course and (c) completion of this form and return to the guidance office.

Their last full day of school will be: _____ Name: _____
Duty Phone: _____ Home Phone: _____ (Sponsor's Name and Rank)
Signature: _____

Parent(s) will pick up the final records on the last day, at the close of school.

Two days prior to their last day, please inform your student to obtain a "Student Clearance Sheet" from the Registrar and present it to each teacher, the nurse, the librarian, Cafeteria, and return to the main office for clearance. This sheet is needed, at the close of school that day, so we can prepare a final transcript to be included in the records the next day.
