Cougar Update

Monday, October 9, 2009

Dear Parent/Guardian,

As you may know, flu can be easily spread from person to person; therefore, we are taking steps to reduce the spread of flu at Osan High School. We want to keep the school open to students and functioning in a normal manner during this flu season, **but we need your help.**

We are working closely with base medical officials to monitor flu conditions and make decisions about the best strategies to keep our school functioning normally. Here are a few things you can do to help:

Get your family vaccinated for the seasonal flu and H1N1 flu when vaccines are available.

Teach your children to wash their hands often with soap and water or an alcohol-based hand sanitizer. You can set a good example by doing this yourself.

Teach your children not to share personal items like drinks, food or unwashed utensils, and to cover their coughs and sneezes with tissues. Covering up their coughs or sneezes using the elbow, arm or sleeve instead of the hand when a tissue is unavailable.

Know the signs and symptoms of the flu. Symptoms of the flu include: Fever (100 degrees Fahrenheit, 37.8 degrees Celsius or greater), cough, sore throat, a runny or stuffy nose, body aches, headache, and feeling very tired. Some people may also vomit or have diarrhea.

Keep sick children at home for at least 24 hours *after* they no longer have fever or do not have signs of fever, without using fever-reducing medicine. Keeping children with a fever at home will reduce the number of people who may get infected.

Minimize contact. If possible, provide a private room to anyone not feeling well and designate a single, healthy adult to administer care.

Do not send children to school if they are sick. Any children who are determined to be sick while at school *will be sent home.*

If your child exhibits flu-like symptoms, contact the school office immediately to report the illness at 784-9098 or 031-661-9098. We will keep you updated with new information as it becomes available and of any updates to our flu-prevention measures.

Sincerely,

Timothy J. Erickson
Principal, Osan High School

Underclassman Photos

Tuesday, October 13

HS Auditorium

It's time again for our annual school photos. You are invited to take this opportunity to order school photographs for friends and relatives just in time for the holidays. We have again contracted with *Campus Photography International* to provide this service to on Tuesday, Oct. 13.

All students will be photographed regardless of purchase.

To order portraits of your children, go to www.CPIphoto.net, click on **Order Now**. You may also use the order form that will be sent home several days prior to our picture day; you may also use the facsimile included with this letter.

There are two ways to make your package selection in advance. **Online** use your credit or debit card. On picture day, pay using the **order envelope** and check, money order or cash. **Please note that, since the order envelopes were printed, we changed our photo day from Oct. 14 to Oct. 13.**

If not ordering online:

Return the envelope and payment with your child **on** the photo date. (Do not return the order envelope if you order online.)

Your child, order envelope, and payment must arrive together at the camera. Students **MUST HAVE PAYMENT** with them on photo day or their photo is considered "yearbook only."

Please use *one envelope per student*, **NOT** one envelope for multiple children.

Please make checks payable to *CAMPUS PHOTOGRAPHY*, **NOT** the school.

Post-dated checks up to two weeks are accepted.

Only pre-paid orders are produced and returned to school. *All* photographs are ultimately taken for inclusion in the school yearbook.

The biggest advantage to the pre-pay photo program is that you receive the actual package, not just a small proof. Your satisfaction is guaranteed or Campus Photography assures us you will receive a 100 percent refund. This program allows a faster return of the finished package. See the package prices for details.

For further information, contact Campus Photography at Customerservice@cpipphoto.net or Ms. P.C., yearbook adviser, at the School .
